In the early 1960s, the influnce of the Beatles and other musicians on rock music was significant. Their goal may not have been to emancepate rock 'n' roll but it's almost unianimous that rock music went reeling in a thousand new directions. For instance, in 1967 the Beatles recorded one of the first concept albums, *Sgt. Pepper's Lonely Hearts Club Band.* The songs in this album featured a mix of musical genres. This kind of experimentation gave other rock 'n' roll artists a mandat to play with and manippulate their music
