Focus

This week's focus is on two- and three-syllable words that end with *–sion* or *–tion*.

Helpful Hint

Notice that all the words on this list have a */shun/* ending. Pay attention to the base word. Base words that end with a *t* sound (*locate*, *vibrate*) use a *–tion* ending (*location*, *vibration*). Base words and roots that end with an *s* (*vis*, *vers*) use a *–sion* ending. *Cushion* and *fashion* are rule breakers since they are the only words in the English language that end with *–shion*.
