Focus

This week's focus is on multisyllabic words that end with *–ery*. This derivational suffix can change a verb to a noun.

Helpful Hint

Notice that all the words on this list are multisyllabic and end with *–ery*. The *–ery* suffix changes a verb to a noun *(flatter/flattery, slip/slippery, deliver/delivery)*. It can also change an agent noun to an abstract noun *(slave/slavery, robber/robbery)*. The *–ery* suffix usually follows whole words, especially words with *–er* endings.
