Lessons 31–35 · Review

Lesson 36

TIPS

- Recognizing and understanding Latin roots and Latin and Greek prefixes can help you spell and understand unfamiliar words. Some Latin roots and their meanings include **ver** ("turn") as in extrovert ("outgoing") and **viv, vit** ("live") as in revive ("return to life").
- Some Latin and Greek prefixes include **pan** ("all") as in panorama ("sweeping view") and **multi** ("many") as in multicolored ("many colors").
- Some English words are associated with one specific topic. These words are from sports.
  acrobatics umpire scrimmage
- There are numerous spelling rules that can help you figure out how to spell a difficult word. When spelling a compound word, think about the way the individual words that make up the compound word are spelled. Some compound words are spelled with a hyphen dividing the two words.
  throughout two-thousandths
- Remember to divide compound words into syllables between the words that form the compound word.
  book/keeper
- Some words do not follow ordinary spelling rules. Memorize and practice spelling these challenging words.
  numerous martyr similar
