Great Literature: *The Velveteen Rabbit*

The Velveteen Rabbit is a novel by Margery Williams. The story is about a stuffed rabbit that desires to become real.

> *"Generally, by the time you are Real, most of your hair has been loved off, and your eyes drop out and you get loose in the joints and very shabby. But these things don't matter at all, because once you are Real you can't be ugly, except to people who don't understand."*

Directions: Copy the excerpt from *The Velveteen Rabbit* using cursive writing. If you need more paper, use a copy of the practice paper.
